Holiday Fun for All Survivors

Survivors of all ages are warmly invited to our Annual Christmas Party. This year’s festivities will be held immediately after our Chapter Meeting on Saturday, December 8 at the California Highway Patrol Academy in West Sacramento. The meeting begins at 9am, and the party at 11am. Ugly Christmas sweaters or fun Christmas PJs are encouraged!

This FREE family event offers crafts, appetizers, lunch, and a special visit from Santa himself! Most importantly, we can relax for a few hours, catching up with old friends and making new ones...friends who understand just how difficult the holiday season can be when you are missing your beloved hero.

RSVPs by November 21st are required to ensure accurate counts for food (and Santa’s bag!). Reserve your spot by sending in the RSVP form (available on the website or our Facebook page) and a check payable to “NorCal C.O.P.S.” for $20/person to PO Box 2342, Vacaville, CA 95696. We will return the uncashed check at the party; if you don’t show, we will cash it since the caterer will charge us for the entire guest count we must provide in advance.) Please contact Stephanie Miller at 209-747-4492 if you have any questions.

Black & Blue Ball

We are pleased to announce that our 4th Annual Black & Blue Ball set for January 12, 2019 was another quick sell-out, reflecting the tremendous dedication of our extended “blue family” to helping the families of our fallen heroes. We are also very grateful to our event sponsors: our Platinum Sponsor, the Peace Officer Memorial Group, and our Gold Sponsors California Association of Highway Patrolmen, Contra Costa County DSA, Fairfield POA, Placer 10-35 Foundation, PORAC, and Sacramento POA. Their generous commitment to helping ensure our Ball’s success is deeply appreciated.

We now shift our focus to gathering items for the Silent Auction, which is a major contributor to both the fun and the financial success of the Ball. Silent Auction Chair Stephanie Miller and the Board need everyone’s help in collecting donations of all kinds, both items that can be auctioned on their own and items that can be bundled with other donations to create a basket or package: vacation accommodations/timeshares, amusement park tickets, restaurant gift certificates, sporting event tickets, theater/concert tickets, wine or wine tasting items, police tactical items, family outings, craft/decor items, jewelry/watches, themed gift baskets, gift cards, etc. We welcome (and acknowledge) everything!

A donation letter with our tax-exempt 501(c)(3) Tax ID number on it can be obtained on our website (www.norcalcops.org) or Facebook page, or by contacting Stephanie Miller at (209)747-4492 or johnny31803@sbcglobal.net.

All items must be submitted by December 31 so the Committee has adequate time to sort and wrap items to place on the auction tables. We encourage survivors attending the Christmas party to bring donations that day.

MISSION STATEMENT

Concerns of Police Survivors, Inc. is dedicated to rebuilding the shattered lives of survivors and co-workers affected by line of duty deaths through partnerships with law enforcement and the community.
President’s Message

It’s hard to believe that the year is coming to an end in a few months. Everywhere you look and everywhere you go you see signs that say “holiday cheer”. But, the holiday season is especially hard when you have to celebrate without your spouse, father, mother, son, daughter, sibling, in-law, co-worker, or significant other for the first time!

Our region has lost three officers to date this year: Deputy Ryan Zirkle - Marin County Sheriff’s Office - EOW March 15, 2018; Officer Kirk Griess - California Highway Patrol - EOW August 10, 2018 and Deputy Mark Stasyuk - Sacramento County Sheriff’s Department - EOW September 17, 2018. Our hearts are with their families, friends and agencies. Please know that we are here for you in whatever you may need.

We are looking forward to spending time with y’all at our yearly NorCal C.O.P.S. Christmas Party, Saturday December 8 at the CHP Academy. Please see Page 1 of this newsletter for details. It will be such a nice day being surrounded by all of our families from across Northern California, getting a visit from Santa, and releasing balloons and messages to our Heroes in Heaven. Thank you to the California Highway Patrol for letting us use the academy year after year for this event.

Our 4th Annual Black & Blue Ball was sold out in minutes again this year. Thank you to everyone who bought tickets and will be attending to support this amazing event. The Black & Blue Ball is a night where we can give back to our Law Enforcement Officers, love on them, and let them know how much they are truly appreciated everyday. The night is also our chapter’s biggest annual fundraiser so that we can help our survivors throughout the year. Thank you so much for the continued support. It means more than you will ever know! This year, our keynote speaker is Mr. Paul Butler, coming to us all the way from South Carolina. He has been in Law Enforcement for 27 years. He is one of the most amazing, inspirational speakers you will ever meet. I am so excited and humbled to have him at our event.

In closing, I would like to thank all of our Law Enforcement Officers for all that you do on a daily basis. Each day you put your lives on the line to protect us so we can sleep in peace at night. It takes a very special person to do what you all do, and I just want you all to know how much you’re appreciated. Please stay safe during the holiday season. To all of our C.O.P.S. families, no matter how long it’s been since you lost your loved one, we know that this time of year can be extra hard. We are always here for you as well...forever and always. Stay strong and hold your loved ones close. Happy Holidays!

Sincerely,

Susan Moody

**First-Year Survivor Session & Chapter Meeting**

Each May, numerous memorial events are held to honor fallen law enforcement officers. These events include the California state events (held in Sacramento), National Police Week events (held in Washington, DC), and various local agency and county events. All of 2018’s fallen officers will be honored, and their families will be invited to participate in many events. For first-year survivors, these occasions can feel emotional, confusing, and, at times, overwhelming.

To most adequately prepare our 2018 fallen officers’ families for these events, we will hold a Memorial Planning Session for them on Saturday February 2 from 9:30am-11:15am. **This special session is open ONLY to the survivors of 2018 fallen officers.**

This First-Year Survivor session will be followed by a general meeting, open to all survivors, from 11:30am-1:30pm. Lunch will be served, and current Chapter business will be discussed.

At this time, the location has not been determined, but a site will be selected that is most central to all of the families of the newly-fallen heroes. Please watch your email for more details.

**Project Blue Light: Let Your Blue Lights Shine for Law Enforcement During the Holidays**

The idea began in 1989 when Mrs. Dolly Craig wrote to C.O.P.S. that she would be putting two blue candles in her window that holiday season. One for her son-in-law, Daniel Gleason, Philadelphia (PA) Police Dept. - EOW 6/5/86, and one for her daughter, Danny’s wife Pam, who had been killed in an automobile accident in August 1989, leaving their 6 children. Dolly Craig is now deceased, but her idea is her legacy. Project Blue Light now burns bright in the hearts of the nearly 32,000 survivors of America’s fallen law enforcement officers during the holiday season.

C.O.P.S. adopted her idea as a simple way to honor the officers who serve and protect us and also remember those who died in the line of duty. The concept is simple: place a single blue light in your window in memory of fallen officers. The color blue is also a symbol of peace, so you’ll send a dual message that you support America’s peacekeepers, and that you hope the coming year will be a time of peace. At this time of year, ornamental light fixtures such as candlestick replicas, are easy to come by and serve this purpose well. Blue light bulbs are also available at www.copsshop.com.

*Join us as part of “Project Blue Light” and let your blue lights shine for law enforcement during the holidays.*

Take the L.E.A.D. - Law Enforcement Appreciation Day 1/9/19

On January 9, 2019, partnering organizations in support of law enforcement officers nationwide will promote National Law Enforcement Appreciation Day (L.E.A.D.). In light of recent negativity directed toward law enforcement nationally, there is a need to show law enforcement officers that our citizens recognize and appreciate the difficult and sometimes impossible career they have chosen in public service to us all.

On January 9 of each year we call our nation’s citizens to action in support of law enforcement. Those citizens who appreciate law enforcement and are discouraged about the negative attention being given to law enforcement are encouraged to make an effort each January 9 to show their support of our law enforcement officers and agencies.

There are many different, creative ways to show appreciation, but the most important of all is also the simplest:

If you see a police officer, thank that police officer!

IDEAS FOR SHOWING YOUR APPRECIATION

- Change your profile picture on social media to the image provided at www.facebook.com/nationalcops.
- Wear blue clothing.
- Send a card of support to your local police department, sheriff’s office, or state agency.
- Share a story about a positive law enforcement experience on social media.
- Ask children in your community to write letters in support of law enforcement.
- Participate in Project Blue Light - proudly display your blue light in support of law enforcement.
- Organize an event or rally in support of your local law enforcement officers.
- Advertise your support through local media outlets and/or billboards.
- Post the public service announcement supplied by C.O.P.S. to your organization’s webpage or social media pages.

Drive To Remember

Honor Fallen Officers with A Specialty California License Plate

The California Peace Officers’ Memorial Foundation (CPOMF) recently announced the launch of “Drive to Remember”, a campaign to develop specialty license plates honoring our fallen heroes.

This program, created in conjunction with the California Department of Motor Vehicles, has been designed so that a portion of the proceeds will come back to the CPOMF to support its ongoing programs to honor fallen heroes and support their surviving families.

At this point, the campaign is focused on gathering contact information for those interested in purchasing a plate when they become available. Once enough interest is shown, production of the plates will become possible and an email will be sent with purchase details.

Please support this important campaign by visiting DriveToRemember.org to join the interest list and get more information about the benefits of this new program.

Back The Blue Golf Classic

Chico Police Officers Association hosted the “Back the Blue Golf Classic” at Canyon Oaks Country Club on June 18. In the words of our Law Enforcement Liaison Peter Durfee, it was “a great day of golf for a great cause”, with proceeds of $6,000 donated to NorCal C.O.P.S. Thank you, golfers and Chico POA!

Back The Badge 5K Run/Walk

NorCal C.O.P.S. is grateful to Seth Crosswhite, the Humboldt County Sheriff’s Office and everyone involved in the Back the Badge 5K Run/Walk on July 28 for supporting our mission with this fun family event. The donation to C.O.P.S. of $2,375 will help Northern California’s surviving LODD families and co-workers.

Blue Line Scone Boxes

A chance meeting with Susan Moody inspired Jones Sconery owner Tami Jones to create a special scone box and donate 100% of proceeds ($420) because “...when my brother walks out the door to go to the department he is giving 100%. [All officers] walk out the door risking everything.” We thank Ms. Jones for supporting C.O.P.S. and law enforcement.

C.O.P.S. Kids Camp - 2018

In late July, a large group of NorCal C.O.P.S. surviving kids (6-14) and their parents headed to the Salvation Army Wonderland Camp in Camp Lake, WI for a full week of fun and healing. Kids Camp provides family interaction, camp activities, grief counseling, relaxation, and lots of old-fashioned fun: swimming, fishing, arts & crafts, canoeing, ropes courses, archery, shooting sports, and campfire skits.

The goal of Kids Camp is for campers to gain a sense of personal growth with hope for the future, and also for them to leave Kids Camp with a continuing support system of peers who truly understand what it’s like to have suffered the loss of a beloved parent.

![This group from NorCal C.O.P.S. attended the 2018 C.O.P.S. Kids Camp. The Camilleri, Chellew, Garner, Hudnall, Lasater, Miller, Moody, Sanders, Smith, Taylor, and Youngstrom families spent a week at the Salvation Army Wonderland Camp in WI relaxing, enriching friendships, and having old-fashioned camp fun with other survivors from across the country.](image)

Outward Bound® Wilderness Adventure for Teens - 2018

Surviving teens (ages 15-20) can participate in a just-for-C.O.P.S. Outward Bound® adventure held each July. Outward Bound® is an outdoor activity program structured to inspire character development, self-discovery, compassion for others and active engagement in creating a better world. The 2018 program was a rafting trip on the Colorado River through the Cataract Canyon in the Canyonlands National Park in Utah.

The goal of this unique C.O.P.S. program is to challenge surviving children to overcome obstacles they face in their lives after losing their parent to a line-of-duty death and to allow them to be surrounded by and develop a network of peers who genuinely understand what they are going through.

NorCal survivors Ethan & Trevor Lee attended the C.O.P.S. Outward Bound® program for the first time this year. Said Ethan (15), “The best part was being with other kids my age who have been through the same thing. They got it and it was nice to know I wasn’t alone in my journey.” His brother Trevor (17) added, “I loved that Outward Bound was adventurous and not as much counseling sessions. It was nice to get to know other kids who have lost a father/step-father like I have.”

![This group of surviving teens, including Trevor & Ethan Lee (far right & far left, photo just above), braved the elements and enjoyed the beauty of Canyonlands Nat’l Park.](image)

Memorials are for Remembering

The Marin County Sheriff’s Office dedicated their Defensive Tactics Room to Deputy Ryan Zirkle-EOW 3/15/18, who had been accepted as a trainer to their defensive tactics team just before his end of watch.

In conjunction with the 50th anniversary of his end of watch, fallen hero San Mateo Police Sergeant Gordon Joinville-EOW 5/23/68 was remembered with a memorial ceremony and sign dedication. His surviving spouse Margaret (center) proudly attended. NorCal Chaplain Jeff Dick was also present for this day of honor.

On July 18, Bay Area Rapid Transit Detective Sergeant Thomas A. Smith, Jr.-EOW 1/21/14 was honored with a highway dedication, and a sign was placed on Interstate 680 near Bollinger Canyon Road. His surviving spouse Kellie explained the site location, saying, “[Our daughter] noticed that this exit was numbered 34 which is Tommy’s badge number, and it’s also the exit that leads us to our home, so it has a special meaning for us.”

Fallen hero Pittsburg Police Inspector Ray Giacomelli-EOW 4/15/03 proudly protected his city for 23 years. Citizens will remember his service and sacrifice when they visit the Ray Giacomelli Community Park, located on W. Leland Road in Pittsburg. The two-acre park was officially dedicated on April 7 with a ribbon-cutting ceremony and celebration.

Fallen hero Pittsburg Police Sgt. Paul Lunger-EOW 7/22/15 was honored with a highway dedication and sign on September 22. His surviving fiancée Jennifer Lee selected the 3-mile stretch of Highway 4 between Balfour and Laurel for its proximity to Sgt. Lunger’s residence and to Freedom High School, where he coached softball for many years.

On July 18, family, friends, co-workers, and members of local law enforcement gathered to honor fallen hero CHP Officer Nathan Taylor-EOW 3/13/16. A sign was placed on Interstate 80 at Baxter, near the overcrossing dedicated to his memory.
