Nor Cal Agencies Sponsors First Survivors Conference

The Northern California C.O.P.S Chapter would like to thank several agencies who made the first Survivors Conference possible. Both the Sacramento County Deputy Sheriff’s Association and the Placer County 10-35 Foundation made significant contributions to the conference and without their support the conference would not have been the success it was.

Thank you for your generous donations:
Sacramento County Deputy Sheriff’s Association: $2500
Placer County 10-35: $1250
San Francisco Police Credit Union: $500
MISSION STATEMENT

Concerns of Police Survivors, Inc. provides resources to assist in the rebuilding of the lives of surviving families and affected co-workers of law enforcement officers killed in the line of duty as determined by Federal criteria. Furthermore, C.O.P.S. provides training to law enforcement agencies on survivor victimization issues and educates the public of the need to support the law enforcement profession and its survivors. C.O.P.S. is a non-profit tax exempt organization.
President’s Message

I need to start this message with a huge thank you to the board members of the three California Chapters that made our first annual Survivors’ Conference a success. There is absolutely nothing good about an officer being killed in the line of duty; however, the strength that the survivors of the 2014 heroes gained by attending this conference is a step in a positive direction. This conference was held in conjunction with the California Police Chief’s Conference and Memorial Ceremony. The thirteen California families were able to meet, share stories of their officers and get to know each other before once again being put in front of the public for the state and national memorials.

It is sad to say, but yes, we welcomed thirteen families to the California chapters of Concerns of Police Survivors. These thirteen fallen heroes will be honored at the California Peace Officers Memorial Ceremonies in Sacramento on May 3rd and 4th. If you have never been to the Sacramento memorials, I encourage you to attend. Complete details about these memorial events can be found on Page 8 of this issue. The following week, thousands of survivors and law enforcement from around the country will gather in Washington, DC for National Police Week from May 12th through May 17th. Please refer to Page 9 for detailed information about Police Week events and the C.O.P.S. Survivors seminars.

On May 9, the weekend between the state and national memorials is the California Peace Officer’s Association (CPOA) Memorial Run to Remember. This is a fun Run/Walk & BBQ. This event is the major fundraiser of the year for NorCal C.O.P.S. and I encourage everyone to participate. This event is a great way to honor your fallen officer. Registration and donation information can be found both in this newsletter and on our website. I want to thank the many law enforcement agencies who donate to our organization. It is because of these donations that we can continue to support family members and co-workers of fallen officers.

For the past four years we have sent out Annual Appeal letters to every law enforcement agency in our Northern California region. In addition to seeking donations, we also ask to speak to each agency. We want every law enforcement officer to know about our organization and how we can help departments with line of duty death procedures and general support of all law enforcement. This year’s mailing will take place at the end of April. Please be looking for these letters and remember the families of the fallen heroes as your agency discusses a donation.

Concerns of Police Survivors is here to help you “Rebuild your Shattered Life”. The best way to start your journey is attending the conference during national police week and attend one of the hands on programs designated for you. Like everything C.O.P.S. does, these events are free to you and any cost associated in traveling to these events may be reimbursed by our NorCal chapter.

In June, my term as president will come to an end. Thank you so much to all of the board members and survivors who continue to help me rebuild my life every day. It has been an honor to serve the northern California membership.

Sincerely,
Tami McMillan
President, NorCal C.O.P.S.

** IMPORTANT TAX INFORMATION **
California’s Professional Peace Officers
WE TAKE CARE OF OUR OWN
Always Have. Always Will.

The beautiful bronze and granite California Peace Officers’ Memorial located on State Capitol grounds in Sacramento contains the names of more than 1,200 courageous peace officers who have laid down their lives in the line of duty protecting and serving their fellow Californians. Tragically, every year many names are added.

You can help the CPOMF in our mission to underwrite the annual California Peace Officers’ Memorial Ceremony, maintain the memorial monument, support our survivor support groups, and support the families of our fallen heroes through our educational grant and financial assistance programs.

California law allows taxpayers to make voluntary tax-free contributions on their personal state income tax returns to the “California Peace Officers’ Memorial Foundation Fund”. Simply indicate the amount to be donated where instructed on the tax return form.

Importantly, the law requires that all contributions be used to maintain the California Peace Officers’ Memorial and the activities in support of the surviving families of our brave men and women peace officers who have made the ultimate sacrifice. We urge the more than 100,000 peace officers serving California to help us Take Care of Our Own.

**Elections**

The term for the current NorCal C.O.P.S. Board members will end this June. Serving on the Board is an excellent opportunity to “give back” to this organization, and to contribute to our Chapter’s efforts to serve all Northern California survivors. The positions of President, Vice President, Secretary and Treasurer are open for candidates.

Chapter elections follow specific procedures established by National C.O.P.S. and Article VII of our Chapter Bylaws. In accordance with these Bylaws:

- All wishing to be nominated for an elected office must be present at the meeting prior to the annual June election meeting in order to be nominated. (April 18th. See page 5 for meeting details.)
- The President, Vice President, Secretary, and Treasurer shall be elected by a majority of votes cast by the eligible, present members at the annual June election meeting.
- All candidates for office must be an advocate for and supporter of the Concerns of Police Survivors organization and dedicated to working in the best interests of the C.O.P.S. organization.
- Terms of office shall be two years.

**Thank You Michelle!**

The Board would like to thank Michelle Walker (wife of Lt. Mike Walker, EOW 12/31/05) for being the Newsletter Editor since 2011. She has done an amazing job with the newsletter and has made the NorCal newsletter one of the best in the nation. Thank you Michelle for all your hard work and dedication. Year after year, you have kept the families and agencies in Northern California informed about the various events happening in the NorCal C.O.P.S. chapter.

**Kids/Teens**

**Free Summer Programs**

Dreaming of summer already? There are three free summer programs created especially for the children and step-children of fallen officers. **A new program, the Young Adults Camp, has been added this year for both children and siblings of fallen officers.** These week-long programs are a great way to have fun, try new activities, meet other kids who have gone through a hard experience similar to yours, and make some new friends who “get it”. We hope you will make plans to try one this summer!

You and your parent/guardian must provide transportation to and from the designated airport for your camp. If your family is unable to afford the cost of traveling to/from the program, NorCal C.O.P.S. does have travel assistance funds. Please have your parent contact a Board Member for more information.

Especially for Agencies & Co-Workers

Watch Your Mailbox

In conjunction with the annual May police memorial events, the NorCal C.O.P.S. Appeal For Agency Support will soon be mailed. We ask that you please consider remembering fallen officers with a donation to NorCal C.O.P.S.

NorCal C.O.P.S. is committed to “being there” for agencies and families in the event of a line of duty death...before, during, and after the tragedy occurs. Our ability to offer support programs is completely dependent upon donations. Services offered to surviving families and affected co-workers include quarterly support sessions and social gatherings, annual summer picnic and Christmas party, and travel assistance to/from Police Week and programs offered by National C.O.P.S. (see p. 4 for list of programs.)

Specifically for agencies, NorCal C.O.P.S. stands ready to assist with nearly any aspect of a line of duty death. We can help develop a LODD policy, assist your agency and the family through funeral planning and memorial events, and provide ongoing support in the months and years following the tragedy.

If you have questions about our programs, wish to set up an informational presentation, or would like to host a fundraiser, please contact Chapter President Tami McMillan by calling (650)255-5721 or emailing mcmtam@yahoo.com.

On behalf of all NorCal survivors, thank you for supporting C.O.P.S. and our mission to help survivors find “Healing, Love, and Life Renewed.”

New: Co-Workers for Couples Retreat ~ Aug. 20-23

This retreat is planned for surviving co-workers and their spouse/domestic partner and will be held August 20-23, 2015, at the YMCA Trout Lodge in Potosi, MO. Since its inception in 2010, C.O.P.S. Co-Workers Retreat has been a life-changing experience for those that have attended; but the recurring question of surviving co-workers is “How do I help my spouse/family understand?”. The new C.O.P.S. Co-Workers for Couples Retreat will concentrate on helping the marriage and family of the surviving co-worker and allow couples to discuss their issues in a relaxed, confidential environment.

As with all C.O.P.S. Hands-On programs, the only cost is providing transportation to and from the St. Louis airport. Transportation to and from the Trout Lodge, accommodations, meals and activities are all provided by C.O.P.S. Registration will be available in mid March. Please see www.nationalcops.org/programs for more information and to register.

Free: Affected Co-Workers Retreat ~ Oct. 2-5

National C.O.P.S. offers a unique program just for co-workers devastated by a LODD. The Affected Co-Workers Retreat offers participants the opportunity to bond with and find support from others who have lost a co-worker to a LODD. Attendance is confidential, and there is no cost to attend this retreat; participants are responsible only for their travel to and from the St. Louis airport. Transfers to/from the airport, accommodations, meals and activities are all provided by C.O.P.S. Registration will be available in mid March. Please see www.nationalcops.org/programs for more information and to register.

“After years of wearing the uniform, it often feels that we put our feelings aside, and at times we forget how to deal with the pain of losing a friend. Perhaps we choose to live our lives without ever addressing the grief that comes with such a traumatic event. After all, we are supposed to be brave and the “calm in the storm”. There are few places where one can come together with perfect strangers who share one common bond, where one can shed a tear, enjoy some laughter, share the darkest days, and begin the process of healing. Attending “Co-Workers” gave me the opportunity to do just that.”

California State Memorial Events: May 3 & 4

The 39th Annual California Peace Officers’ Memorial Ceremony will be held on Sunday and Monday, May 3 & 4. The May 3 Candlelight Vigil and May 4 Enrollment Ceremony are a time for the law enforcement community, survivors, and caring citizens to honor and remember those officers killed in the line of duty while serving the state of California.

Thirteen names will be added to the monument this year, all officers who died during 2014.

Survivor seating for the Enrollment Ceremony is limited to those who hold a CPOMF-issued pass. Our chapter is allotted a very limited number of passes. If you will be attending and wish to obtain a pass, please check availability by contacting Tami McMillan via email at mcmtam@yahoo.com or by calling (650)255-5721.

REGISTRATION INFORMATION

• Registration packets were mailed to all survivors in late January by National C.O.P.S. You should have received yours by now. If not, please contact National C.O.P.S. immediately by calling (573)346-4911 or sending an e-mail to cops@nationalcops.org. You can also complete the registration forms online at www.nationalcops.org.

• The deadline for ALL survivors attending is March 30th. Please note there is only one deadline for both past and current year survivors.

PLANNING YOUR TRAVEL

• Transportation to C.O.P.S. National Police Week Hotels will be provided only from Reagan National Airport in Washington, DC between 9am-6pm on Monday, May 11 and Tuesday, May 12. During these times, survivors will be met by local officers who will escort them through the airport, assist them with luggage, and get them to the buses that will transport them to their National Police Week hotel. (Survivors arriving at other places or dates, or staying at other hotels, are responsible for getting themselves to their hotels.)

• C.O.P.S. advises that West Coast travelers arrive by May 12, since the time change makes it very difficult to make it to the Candlelight Vigil when arriving in Washington, DC on May 13.

• C.O.P.S. advises that travelers planning to leave on May 15 after the National Peace Officers Memorial Service book a flight departing later than 6:30pm to ensure adequate time to get to the airport and clear security.

NOTES ABOUT POLICE WEEK SERVICES

• The Candlelight Vigil is hosted by the National Law Enforcement Officers Memorial. Seating at the Vigil will open at 5pm, and it is extremely limited, with one first-come, first-served area reserved for all survivors (both current and past-year). There is a small reserved area for wheelchairs. The Vigil is held rain or shine. There are no vendors at the site, so attendees may want to bring a bottle of water and a snack. The ceremony and the reading of the newly-engraved names should conclude about 10pm.

• The National Peace Officers Memorial Service is hosted by the Fraternal Order of Police. Past-year survivors take buses from their assigned National Police Week hotel at 8am, while current-year survivors meet at and take buses from the Host Hotel. The service is outdoors, and weather conditions are unpredictable. Sunscreen, an umbrella, a light snack, and a light jacket might be needed. The length of the service varies based on the program presented each year.

NEED HELP DURING POLICE WEEK?

• Detailed daily schedules and staffed information tables are available at all National Police Week hotels to assist survivors with questions.

• The following NorCal C.O.P.S. Board Members will be at Police Week: Tami McMillan. She is available to assist NorCal C.O.P.S. members if needed. The best way to contact her is to leave a note on the Message Board in the Survivor Conference reception area at the Host Hotel. You can also contact her by calling (650)255-5721.

First Year Survivors Conference Recap

The weekend of February 20-23, family and co-workers of 2014 fallen officers gathered in Riverside to come together for the first Survivor’s Conference. This conference was held in conjunction with the California Police Chief’s Conference and Memorial and all three California Chapters joined together to provide the new families and co-workers with memorial planning information, counseling and debriefing sessions. Thank you to all who helped make this weekend a success and for all survivors who took the step to attend.

Thoughts From Survivors Who Attended:

“I truly appreciate the time, effort, and dedication that was given by the C.O.P.S. organization to put this event and memorial together. They were able to create a caring and comfortable environment while preparing us for upcoming events. I was able to meet some great people; I shared amazing memories and created new ones in the process. Most importantly, I felt my husbands life was honored and remembered by the representatives of the C.O.P.S. organization.”

-Jessica Davis, Surviving Spouse

“Thank you for inviting our agency and the family of Dep. Michael Davis Jr. to the 2015 C.O.P.S. Survivors Conference. The efforts of your board, and the program you developed, made a huge impact not only to the family of the slain deputy but to his co-workers as well. Great program, amazing people! Thank you!”

-Lt. Andrew Scott, Placer County Sheriffs Office

“I’m incredibly fortunate to have known such an amazing person, friend and brother. This weekend I found myself incredibly fortunate to have known such an amazing law enforcement officer: a hero through shared stories, laughter and tears. I was reminded of the honorable profession that was chosen and the ultimate sacrifice that was made. This weekend I felt proud.”

-Sharlene Henderson, Surviving Sister-in-Law

“The survivors conference weekend was very eye opening for me. I learned that I don’t have to go through this journey alone and that the emotions I’m feeling are 100% normal. Thank you C.O.P.S. For the wonderful weekend.”

-Melissa Oliver, Surviving Daughter

“I attended my first C.O.P.S. conference. The support, counseling and laughs were an enormous gift. My whole family came away with a little spark we had been missing.”

-Phyllis Sylvia, Surviving Sibling

Memorials are for Remembering

On November 12, 2014, a 3 mile stretch of Highway 1, north of Fort Bragg, was dedicated and is now the Deputy Sheriff Ricky Del Fiorentino Memorial Highway. Wife Beth unveiled one sign at the ceremony held in Portuguese Hall, while the second sign had been unveiled in a small ceremony held on the side of Highway 1 earlier in the day.

Pictured left a group of Fort Bragg High students and Ricky’s wife, Beth gather around the sign. At right, Sheriff Tom Allman speaks near the sign on Highway 1.

On January 15, 2015, the Officer Kevin Tonn Fallen Heroes Memorial was dedicated in Galt. The ceremony took place on the 2nd anniversary of Officer Kevin Tonn’s End of Watch. The same day, a portion of Highway 99 was also dedicated to Officer Tonn.

Pictured right are Tonn’s parents, Will and Mary Ann, along with his sister Julie Carnesi, her husband Chris and their children Taylor and Ryan.
